Welcome to the 2024 Langco Bull Sale! This is truly a transition year here at Langco as our sale partners, Kueber Angus, have dispersed their herd, and we thank them for their years of contribution and friendship. Therefore, we made the decision to go it alone, with a Farmgate timed auction sale, here at the farm. Feel free to come and check out the bulls any time before sale day at your convenience, or to avoid any bad weather. We will be having an "open house" sale day for anyone uncomfortable with the internet, to come and bid on animals in person if they so desire. Also new for this year is the addition of some impressive Sim/Angus bulls on offer, and of course what would a Langco sale be without a group of blue roan replacement open heifers available. Our emphasis has always been focused on quality vs quantity, and although the numbers of animals is not huge, we are very proud and confident of every animal in the offering, so buy with confidence.

In the future it is our intention to move to a December production sale with bulls, along with females to increase the number of lots on offer.

Please feel free to contact me prior to the sale if you have any questions.

See you on February 9th at the farm!
